

**Overview for Supervising Teachers**

Objective: To mentor students through individual and small group during RTI. After the semester, please answer the following questions:

Student's name: \_\_\_\_\_

Does the student present a professional appearance and image?

---

---

Is the student dependable (arrives on time, follows the schedule and is attentive)?

---

---

Did the student model acceptable grammar and vocabulary?

---

---

Did the student work effectively with the students (demonstrate positive behaviors, respond positively to all students, and demonstrate an awareness of students' needs)? Give examples if possible.

---

---

Did the student promote student motivation, engagement, and learning?

---

---

What is something you would advise the student to improve upon prior to student teaching?

---

---

Any other comments (optional): \_\_\_\_\_

---

---
