1. Students must maintain a minimum of 2.5 GPA in required Athletic Training coursework each semester
 - a. GPA (ATI) calculated by Program Director & found on Gateway
2. If a student falls below a 2.5 GPA (ATI) that student will be put on academic probation within the ATEP. This equates to the student being removed or not assigned to a field experience. The student has one semester to correct this deficiency and if not rectified will be asked to leave the ATEP. If a student DOES correct the deficiency they will be reinstated with no possibility of returning to probationary status without being asked to leave the ATEP.
