- We're looking for a friendly student (preferably a young man) that would be willing to visit two elderly, listen to what they are trying to accomplish and then assist. They have a computer used for e-mail, word processing and some Internet. From time to time, things stop working, or settings get changed, etc. The immediate needs are:
 - Programming the GPS in their new car
 - Programming the radio (including Sirius) in their new car
 - Programming the garage door opener with the car. Contact [Sally Wlasuk](mailto:SallyWlasuk) directly

The student events email provides notices and reminders about a wide variety of events on campus. If you prefer not to receive emails about events, you can opt out by emailing helpdesk@manchester.edu with a request to be removed from the list. Removals are effective for the current academic year. Keep in mind that you may miss fun or important event notices.
