“WALK INTO MY FUTURE” EVENT September 26th

On Friday, Manchester University will again play host to thousands of elementary students (2500 throughout the day) as they step onto a college campus for the first time. The Walk Into My Future event celebrates the creation of their college savings accounts, and helps recognize the importance of a college education. As their hosts we want these kids to know that college is so much more than what we learn in a classroom ... it is the people and experiences that create this amazing place!!

You can read more information about the event by clicking on the attached document. To register as a volunteer, go to:
