Go GREEN, clean a STREAM!

The Eel River is a beautiful and valuable natural resource and we need your help to keep it clean!

Volunteers are needed to clear trash and debris from the Eel River. We will be working in the river, filling canoes with trash as we walk downstream. Please wear appropriate clothing. Tennis shoes or boots are required (NO SANDALS PLEASE!) Poison ivy and stinging nettle are present along the river, so please come prepared! Gloves, trash bags, and water will be provided along with a light lunch for volunteers. **We will begin at the North Manchester Street Department, 407 Wabash Road, North Manchester at 8:30am.** Advanced registration is required. If you would like to join us, please register in advance by calling Terri at 260-982-5101, or e-mail: tmmichaelis@manchester.edu. **THANKS!**
