Notes:

- Classes based on the 2019-20 course catalog
 - If semester hours differ at your institution, you must make up the remaining semester hours via elective coursework.
 - Manchester University suggests that at least one of the humanities/social science electives deals primarily with an international culture.
- * One of the two semesters of the full-year biology requirement, must be anatomy, physiology, or a combination of both (i.e. Human Anatomy & Physiology I). The other semester can be any biology course of your choosing.
