

Manchester University (MU) now has an articulation agreement with the University of Saint Francis in Fort Wayne, Ind. This agreement states that Manchester University will reserve two seats in each annual cohort of students entering its Doctor of Pharmacy program for qualified students of the University of Saint Francis (USF). Qualified students must complete the application process for admission to Manchester University's Doctor of Pharmacy program according to the established deadlines.

In order to be considered for admission to MU's Pharmacy Program through the articulation agreement, candidates must complete the following steps:

- Apply by the PharmCAS application deadline (early March) of the applicant's final year of undergraduate coursework at USF.
- Applications must be submitted through PharmCAS:
<http://www.pharmcas.org/>
- Each of the established prerequisite courses required by the program must be completed with a C letter grade or better by a date in the summer prior to the start date of that following academic year (date is determined each admission cycle).
Required prerequisite coursework [can be found here.](#)
- Have a 3.3 minimum cumulative GPA
- Complete the Manchester University Pharmacy Program interview process successfully.

Qualified USF applicants will be evaluated based on their applications and interview results. If offered a seat in the program, USF students must submit a \$300 seat deposit and complete a set of requirements upon matriculation into the program. If a deposit isn't received by a predetermined deadline, an offer will be made to the next eligible applicant.

For questions, please contact the Office of Admissions and Enrollment Management at pharmacy@manchester.edu or at (260) 470-2703.
