

PRECEPTOR NEWSLETTER

The Newsletter of Manchester University College of
Pharmacy, Natural & Health Sciences

Now Accepting Community, Institutional IPPE Availability

IPPE students will be on rotations beginning in January 2021, and we are excited to send them your way! If you are a community pharmacy preceptor within an hour's drive of Fort Wayne, IN, we want to sign you up to precept our 1st year IPPE students. You may precept up to four students, one for each of the time frames below:

- 80 hours from January 4th – January 15th, 4 hours each Tuesday from February 2nd – May 11th
- 80 hours from January 4th – January 15th, 4 hours each Thursday from February 4th – May 13th
- 80 hours from January 18th – January 29th, 4 hours each Tuesday from February 2nd – May 11th
- 80 hours from January 18th – January 29th, 4 hours each Thursday from February 4th – May 13th

Institutional Preceptors! If you host a hospital operations, institutional, or long-term care facility focused rotation, we want to sign you up to precept our 2nd year IPPE students. We are happy to send up to three students to you for each of the rotation blocks below:

- Four week experience from January 4th – January 29th, completing 160 hours
- Four week experience from June 7th – July 2nd, completing 160 hours

To submit your availability, simply login to [CORE](#), click on the Scheduling tab on the left-hand side of the screen, and click Submit Availability. Select the 2021 IPPE I Community or 2021 IPPE II Institutional group from the drop down menu, and then add the students you are able to precept for each available block. Click Update Availability for Group when you are done and you are all set.

Too many steps? Simply email us at COPEE@manchester.edu and we will take care of it for you!

Our students love these opportunities to learn from you, as many of them have not worked in any pharmacy setting previously. Thank you for all that you do for our students!

(Virtual) Preceptor Showcase

Our preceptor showcase will be conducted virtually this year, and we are excited at the prospect of allowing our students to meet with more preceptors than ever before. Not sure how it will work? Please [click this link](#), which provides you with an overview of the virtual showcase layout. Students will be able to talk to you via Zoom conference, and you will be able to indicate the opportunities you provide students, including:

- APPE/IPPE rotation
- Residency
- Paid Internship
- Post-graduate Employment

We will also be conducting our preceptor award ceremony/social lunch hour and a nationally accredited CE session on tobacco cessation before the showcase. If you haven't already, please [RSVP here](#) for any and all portions of this event. We look forward to seeing you Tuesday, September 22nd!

Preceptor Podcast

Looking for 10 to 20 minute portions of pharmacy and precepting knowledge? Check out our Pharmacy Preceptor Podcast, which posts new content every other week. There are 34 episodes to choose from, and no shortage of topics. The last five episodes include:

- Conducting Virtual Rotations
- Dexamethasone in COVID-19
- Helping Students Prepare for the NAPLEX
- COVID-19 and Students
- The 5 Rs of Connecting with Millennial students

You can find the Pharmacy Preceptor Podcast anywhere you get your podcasts, including [Apple](#), [Google](#), [Spotify](#), and [Podomatic](#). Just enter "Pharmacy Preceptor Podcast" in your search bar.

Preceptor Honor Roll

I am excited to present our 2020 Preceptor Honor Roll. Each of the preceptors listed has been recognized for

1. availability to precept students;
2. engagement in our continuing education (CEI, live events), Preceptor Showcase, and/or Experiential Education Advisory Council, and;
3. strong evaluations of their rotation experience from students.

All members receive a certificate of recognition, as well as a pin demonstrating their excellence in pharmacy precepting to be displayed proudly on their white coat. We would love to honor you next year!

Spotlight

Zainab Alsamarae, a new faculty member at Manchester University recently moved from Ann Arbor, MI. She completed pharmacy school at University of Michigan and subsequently completed her PGY-1 year at St. Joseph Mercy Health, and a PGY-2 Ambulatory Care residency at Michigan Medicine. Zainab is passionate about pharmacy and her areas of interest include chronic disease management, nephrology, and quality improvement research. In her free time, Zainab enjoys baking, hiking trails, and exploring great ice cream shops.
