

# PRECEPTOR NEWSLETTER

Official Newsletter for Pharmacy Preceptors at Manchester University College of Pharmacy, Natural and Health Sciences

## APPE Availability Now Open

Believe it or not, our 3rd year students are already gearing up for rotations during the 2022-2023 APPE year. Availability for next year's APPE class is now open for your submissions. The 2022-2023 APPE rotation schedule is attached for your reference.

To submit your availability, simply login to your [CORE ELMS](#) profile, click on the Scheduling tab on the left hand side, and then click Submit Availability. Select 2022/23 APPE from the drop down box and enter your preferences. If you'd rather not bother with [CORE ELMS](#), no problem! Just email your availability to [COPEE@manchester.edu](mailto:COPEE@manchester.edu) and we will enter your preferences for you.

If you precept students for Purdue or Butler, we are very happy to work with those schools to coordinate your schedule as well. Please type "Coordinate with Purdue and/or Butler" in the email or at the bottom of your availability submission on [CORE](#). Thank you for everything that you do for our students!

## FERPA Training Video

Did you know that students have a protection of their educational information similar to patients' protected health information through HIPAA? The Family Educational Rights and Privacy Act (FERPA) affords a learner the right to their education records, the right to seek to have records amended, and the right to have some control over the disclosure of personally identifiable information from education records. To learn more about FERPA and how it might apply to the students you precept, and to gain some CE, please log-in to [CORE ELMS](#) and access [FERPA: A Guide for Preceptors](#) through CEImpact.

## Manchester Anti-Racism Statement

On October 15th, the Manchester University Board of Trustees unanimously passed an [Anti-Racism Statement](#), renewing the University's commitment to stand against racism and the systems that perpetuate injustice and inequality. We appreciate the commitment of our preceptors to stand with our faculty, staff, and students against racism, and to the continued growth and development of a fully welcoming and inclusive community. Thank you!

## Pharmacy Preceptor Podcast/ Sara Trovinger Back

The Pharmacy Preceptor Podcast is back after a summer break, and we are happy to have Sara Trovinger back at Manchester to continue as co-host with Ryan Ades. The podcast consists of 10-15 minute clinical pearls on pharmacy practice, precepting, or current events on the healthcare spectrum, and is available wherever you get your podcasts:

- Spotify <https://open.spotify.com/show/3KMsYLljAQdc4WexXmkiQ4...>
- Google <https://podcasts.google.com/...>
- Apple <https://podcasts.apple.com/.../pharmacy.../id1462682247...>
- Podomatic <https://www.podomatic.com/podcasts/sntrovinger>

Do you have a unique way of precepting students, a disease state with new guidelines to review, or another interesting topic to spotlight? We would love to interview you on the podcast. Please reach out to Ryan Ades ([rades@manchester.edu](mailto:rades@manchester.edu)), and we will find 30 minutes to have a discussion. This is a low stress, high reward way to share your passions with a large group of preceptors! Please share your expertise with us!

## Issue 2 of ManchesteRx Alumni Magazine Now Available

The second ever issue of ManchesteRx is available online for your review. In the issue:

### Precision Pharmacy in Double Time 8

Pharmacogenomics in education informs future pharmacy practice

### Science, Career & Destiny 12

Paula Avila: Lab technician, research assistant serves youth through Hispanic Leadership Coalition

### Five Years 14

The inaugural Class of 2016 marks its 5th reunion

### Core Competencies 16

Interprofessional education prepares students for practice in team settings

### In the Service of His People 18

Capt. Carmen Clelland '21 M.S. in PGx, U.S. advisor on Tribal affairs hones his expertise

## Accreditation Town Hall

As many of you know, the Manchester PharmD Program is currently completing an accreditation self-study anticipating a visit from the Accreditation Council for Pharmacy Education (ACPE) in April 2022. We hope that many of you can join us during this virtual meeting, hosted by Dr. Rob Beckett, Assistant Dean for Assessment, to learn about our accreditation process, share input, and find out how to get involved. The meeting will be held Monday, November 22nd, from 8:00 p.m. – 9:00 p.m. EST, and may be accessed via this link: [Manchester Accreditation Town Hall](#). Please consider joining us to share your perspectives and to hear more about our self-study!

## Preceptor Survey Results

Every other year, the American Association of Colleges of Pharmacy (AACCP) asks preceptors to complete a survey on their experiences with Manchester University. We recently received the results from the 2021 survey, which provided a great picture of our program from the preceptor perspective. Thank you to the 119 respondents who answered the survey. Manchester had a favorable level of agreeance on every question pertaining to communication, curriculum, and resources/support. We are humbled to receive such positive feedback from our preceptors. Please let us know if there is ever anything we can do to support you, and thank you so much for everything you do for our program!
