

Manchester University – Report of Institutional Data for the Equity in Athletics Disclosure Act (EADA)

The Equity in Athletics Disclosure Act (EADA) was designed to make prospective students and prospective student-athletes aware of an institution of higher education’s commitment to providing equitable athletic opportunities for its men and women students. The EADA requires the disclosure of information about varsity teams and the financial resources and personnel that the school dedicates to those teams.

The Requirements:

Annual EADA Report:

Any coeducational institution of higher education that participates in Title IV, the federal student aid program, and has an intercollegiate athletics program, must comply with the EADA by preparing an annual report, officially called The Report on Athletic Program Participation Rates and Financial Support Data; more commonly known as the EADA Report. [Report cite 34 CFR 668.47] The EADA Report must be published by October 15 each year and must be made available upon request to students, prospective students, and the public. A prospective student is defined as an individual who has contacted an eligible institution requesting information concerning admission to that institution.

1) **Athletically Related Student Aid-Men's and Women's Teams**

Athletically related student aid is any scholarship, grant, or other form of financial assistance, offered by an institution, the terms of which require the recipient to participate in a program of intercollegiate athletics at the institution. Other student aid, of which a student-athlete simply happens to be the recipient, is not athletically related student aid.
