# Changes to Student Evaluations

## **Important Information Please Read!**

Please take a moment before your next 2025-2026 rotation to look over the new student evaluations in CORE ELMS. New features include:

- New questions to track updated competencies
- Separate and abridged midpoint evaluations

We have prepared a video overview of the new evaluations, which can be seen [here](#).

Our first trial of these evaluations will take place with R2 in June, 2025. Please let us know if you have any questions.

## **AACP Program Quality Surveys**

The AACP Preceptor Survey's is now available for access! An individualized survey invitation has been sent to your email. This survey is essential to our accreditation and provides us valuable insight into our program so we are asking you to please fill it out. If you have any questions please feel free to contact us.
