

2022-2023 Notification of Outside Funding

Please print, complete and submit this form *no later than August 1, 2022*, indicating your outside funding information.

Student's Name: _____ SSN or Student ID: _____

OUTSIDE FUNDING

- You must report scholarships, grants, employer reimbursements, veterans' education benefits, loan funds and/or other additional funding from outside organizations not already listed on your Financial Aid Award Notification.
- A revision of your financial aid award(s) may be necessary to comply with federal regulations.
- Outside funding will be divided equally between semesters as noted on the Financial Aid Award Notification for purposes of calculating your financial aid eligibility.
- Funds listed as "Outside" on the Award Notification are estimated until dollars are received from the awarding agency.
- It is the student's responsibility to work with the outside agency to ensure receipt of funds.

_____ I will not receive any outside scholarships, grants, employer reimbursements, veteran's educational benefits, loan funds and/or other additional funding from outside organizations for the 2022-2023 academic year. If I am awarded any such funding, I will immediately notify Student Financial Services at Manchester University.

_____ I have been awarded or I expect to be awarded the outside funding listed below. I have attached a copy of the statement(s) received from the awarding agency about the outside funding.

- *Funds reported or received without an attached statement from the awarding agency will be limited to use towards Manchester University direct costs-tuition/fees and room/board (if applicable).*
