

Manchester University – Ivy Tech Community College Bridge Program

Successful completion of the Bridge program guarantees transfer admission to Manchester University. Bridge participants are required to earn a minimum of 24 transferable college-level credits at an Ivy Tech Community College site, and earn a minimum cumulative grade point average of 2.0 (on a 4.0 scale). Only specific college-level courses (those listed below) in which the student earns a C or better will count toward the 24 credits required to gain admission to Manchester University. In order to enter at sophomore status, students will need 28 transferable credits. If you have not applied for admission to Manchester University previously, you must do so to be considered for Bridge. Please contact the Manchester University transfer coordinator at 800-852-3648.
