MISSION STATEMENT
Manchester University respects the infinite worth of every individual and graduates persons of ability and conviction who draw upon their education and faith to lead principled, productive, and compassionate lives that improve the human condition.

HISTORY
Manchester University, founded in 1889, is an independent liberal arts university of the Church of the Brethren. In 2013-2014, 1,343 students from 24 states and 24 countries studied here.

Manchester University traces its origins to the Roanoke (Ind.) Classical Seminary founded by the United Brethren Church in 1860. The Seminary became Manchester College in 1889, when the school was moved to North Manchester. In 1895, members of the Church of the Brethren purchased the campus and this affiliation continues. Mount Morris College (Ill.) merged with Manchester College in 1932.

The University welcomes students of all faiths and celebrates its relationship with the Church of the Brethren. On July 1, 2012, Manchester College became Manchester University and, in fall 2012, students began studying at Manchester’s Fort Wayne campus, home of the College of Pharmacy.

Manchester has been fully accredited since 1932 by the Higher Learning Commission of the North Central Association of Colleges and Schools. The Teacher Education Program is accredited by the Indiana Professional Standards Board and the National Council for the Accreditation of Teacher Education. The Social Work Program is accredited by the Council on Social Work Education. The Athletic Training Program is accredited by the Commission on Accreditation of Athletic Training Education. The Doctor of Pharmacy program has been granted Candidate status by the Accreditation Council for Pharmacy Education.

VALUES STATEMENT
As a primarily undergraduate, residential, liberal arts community rooted in the tradition of the Church of the Brethren, Manchester University values:

- **Learning**, because high academic expectations in an environment combining liberal arts and professional preparation equip graduates to live healthy, productive, and principled lives;
- **Faith**, because our diverse faiths call us to make the world a kinder and better place, establish justice, build peace amid strife, and model lives of *agape* (selfless love), *tikkun olam* (repairing a broken world), and *salam* (peace);
- **Service**, because committing self in service to others connects faith with action and abilities with convictions;
- **Integrity**, because honesty and trust are the foundations of teaching and learning, enriching, enduring relationships, and strong communities;
- **Diversity**, because understanding differences develops respect for ethnic, cultural, and religious pluralism; an international consciousness; and an appreciation for the infinite worth of every person; and
- **Community**, because a positive community sharpens self-identity, promotes acceptance of the demands of responsible citizenship, and transforms conflict into mutual respect.

Prelude  “Prelude in C Minor”  – J.S. Bach  Marilyn Sexton Mason, Organ

Processional  “March For A Festival”  – Marc F. Cheban  Marilyn Sexton Mason

*Welcome and Prayer of Invocation  Walter J. Wiltschek, Campus Pastor

*Opening Hymn  “Morning Has Broken”

Sweet the rain’s new fall, sunlight from heaven.
Like the first dewfall, on the first grass.
Praise for the sweetness of the wet garden,
Sprung in completeness where His feet pass.

Mine is the sunlight, mine is the morning.
Born of the one light Eden saw play.
Praise with elation, praise every morning;
God’s re-creation of the new day

(Choral Anthem note: Professor Debra Lynn composed the music to “Earth and All Stars” for the inauguration of Jo Young Switzer as the 14th president of Manchester University in 2004.)
Senior Anthem   “I Find My Feet Have Further Goals”

I could not prove the Years had feet –
Yet confident they run
Am I, from symptoms that are past
And Series that are done –

I find my feet have further Goals –
I smile upon the Aims
That felt so ample – Yesterday –
Today’s have vaster claims –

I do not doubt the self I was
Was competent to me –
But something awkward in the fit –
Proves that – outgrown – I see –

(Text: Emily Dickinson; Music: Debra J. Lynn)

Scripture      Ecclesiastes 3:1-13 (NIV)

Meditation    “A Time for Everything”

*Closing Hymn   “Great Is Thy Faithfulness”

Great is thy faithfulness, O God my Father;
there is no shadow of turning with thee;
thou changest not, thy compassions, they fail not;
as thou hast been, thou forever wilt be.

Great is thy faithfulness! Great is thy faithfulness!
Morning by morning new mercies I see;
alI have need,ed thy hand hath provided;
great is thy faithfulness, Lord, unto me!
Summer and winter, and springtime and harvest,
Sun, moon and stars in their courses above,
Join with all nature in manifold witness
To Thy great faithfulness, mercy and love.

Refrain

Pardon for sin and a peace that endureth,
Thine own dear presence to cheer and to guide;
Strength for today and bright hope for tomorrow,
Blessings all mine, with ten thousand beside!

Refrain

Manchester’s 14th President

Jo Young’69 Switzer will conclude a transformational decade as Manchester University president when she retires on June 30. During Switzer’s tenure, the University has increased enrollment 25 percent, added a four-year Doctor of Pharmacy program on a new Fort Wayne campus, and launched innovative initiatives that help make education more affordable, including the Fast Forward degree and the Triple Guarantee. Switzer also has presided over the $100 million comprehensive campaign Students First! which has expanded student learning facilities and programs, and strengthened scholarship funds and the general endowment.

President Switzer’s passion for Manchester dates back to her years as a student here. She earned a B.A. in English in 1969 and went on to earn her M.A. and Ph.D. in communication from the University of Kansas. She taught communication studies at Manchester and Indiana University Purdue-University Fort Wayne (IPFW) before serving as Manchester’s vice president and dean for academic affairs for 11 years. On Dec. 1, 2004, Switzer became the University’s first female president and 14th chief executive.

Academic Ceremonies and Regalia

Academic dress, inspired centuries ago in Europe, has evolved in the United States since colonial times. Today most colleges and universities, including Manchester, observe the academic dress code of the American Council on Education.

A scholar’s highest degree determines the robe. Gowns for the master’s and doctoral degrees are usually ankle length and, for bachelor’s and master’s degrees, untrimmed. A doctor’s degree gown is more elaborate, with velvet facing and three velvet bars on full, bell-shaped sleeves.

Mortarboards are the standard headwear except for persons with doctorates who may choose a soft, rounded tam. Hoods, once worn on the head for warmth, are now draped over the shoulders and are longer for doctors than for masters.

Colors help tell the story. The color of the hood lining indicates the university where the graduate degree was earned. The color of the hood trim, satin for masters and velvet for doctorates, identifies the scholar’s field. For those with doctorates, the velvet facing and bars of the gown may be black or the color of the academic discipline. Once only black, the gown itself can now be in the color of the university awarding the degree.

Honors Cords and Graduation with Distinction
Students graduating with Latin honors wear gold cords draped around the neck. To graduate with distinction, a candidate for the baccalaureate degree must have completed a minimum of 96 semester hours in residence at Manchester University and accumulated a grade point average (GPA) at or above 3.650. There are three levels of graduation with honors: *summa cum laude* (with highest honors) requires a grade point average of 3.950 to 4.000; *magna cum laude* (with high honors) requires a GPA of 3.850 to 3.949; and *cum laude* (with honors) requires a GPA of 3.65 to 3.849.

The Honors Diploma is awarded to seniors who have maintained a grade point average of at least 3.5, completed five semester hours of honors study each academic year, with at least one course in each of three specified divisions, and successfully completed an honors thesis.

Beta Beta Beta (Tri-Beta) is the Biology Honors Society. Students must major in biology and maintain a 3.0 GPA. The cord colors are blood red (zoology) and leaf green (botany).

Alpha Mu Gamma is the largest national collegiate foreign language honor society. Students must maintain a 3.5 GPA and major or minor in French, German or Spanish. The cords colors are gold.

Pledge of Social and Environmental Responsibility
Students and faculty who support The Graduation Pledge wear green ribbons on their gowns. This pledge is a commitment to make a difference in the world. Manchester University served as the headquarters of The Graduation Pledge Alliance from 1996 to 2007. The Pledge is sponsored by the Peace Studies Institute and the Accounting and Business Club.

“I pledge to explore and take into account the social and environmental consequences of any job I consider and will try to improve these aspects of any organizations for which I work.”
