Part of the 660 pounds of metal removed from the Eel River by the American Fisheries Society, North Manchester Chapter, on 4/25/10

The Eel River is a beautiful and valuable natural resource and we need your help to keep it clean!

Volunteers are needed to clear trash and debris from the river. We will be working along the banks and in the river from canoes. Along the way we will explore aquatic organisms that call the river home.

If you would like to join us please register in advance and wear long sleeves, long pants and boots or tennis shoes. Poison ivy and stinging nettle are present so be prepared!

Sunscreen, bug spray, gloves, trash bags and water will be provided along with a light lunch for all volunteers!

A registration form can be found on the back of this flyer, along with a waiver that must be signed for all participants. If you are under 18, you must have your parent/guardian sign the Waiver.

Family Friendly Event!

Registration and Waiver forms on back!

Middle Eel River Watershed Initiative

A Coalition Led By Manchester College

Eel River Clean-Up September 18, 2010 Registration Form

Waiver Statement for Eel River Clean-Up

I, _____
(Print name)

hereby agree to waive any and all claims, including negligence, against the Middle Eel River Watershed Initiative and Manchester College arising in any fashion from my voluntary participation in the River Clean-up program. It is acknowledged that work on or near streams is inherently dangerous and that any and all risks associated with such work are voluntarily assumed.

Signature of participant
