

CAMPUS MINISTRY / RELIGIOUS LIFE

Manchester University values its Church of the Brethren roots and its continuing connection with the denomination. Faith, learning, and service are integral to the campus experience. Embracing those ties is part of the mission statement of Religious Life at Manchester:

- The Religious Life program creates opportunities for Christian students to nurture and deepen their faith in God as disciples of Jesus Christ through worship, fellowship, learning, and service.
- The Religious Life program seeks to deepen and make more fruitful its relationship with the Church of the Brethren.

How does that happen? Opportunities include the following:

Weekly chapel services: Held at 5:55 p.m. each Tuesday in Petersime Chapel. These services offer prayer, music, scripture, drama, reflections, and more. Everyone is welcome.

Praise Jam: This up-tempo, student-driven celebration of praise music and prayer is held Wednesdays at 10 p.m.

Simply Brethren: This Brethren student group meets every other week for fellowship, fun, and learning what it means to be Brethren.

Other opportunities: Also available on campus are Bible studies and discussion groups, Sunday morning trips to local congregations, a handbell choir and other musical groups, a chapter of Fellowship of Christian Athletes, and more.
