

**Issue No. 34**

# **The Manchester Preceptor**

**11/2025**

# Awards and Recognition

Congratulations to Ross and Kayla (not pictured) on receiving their Preceptor of the Year Award!

# Callout from HOP

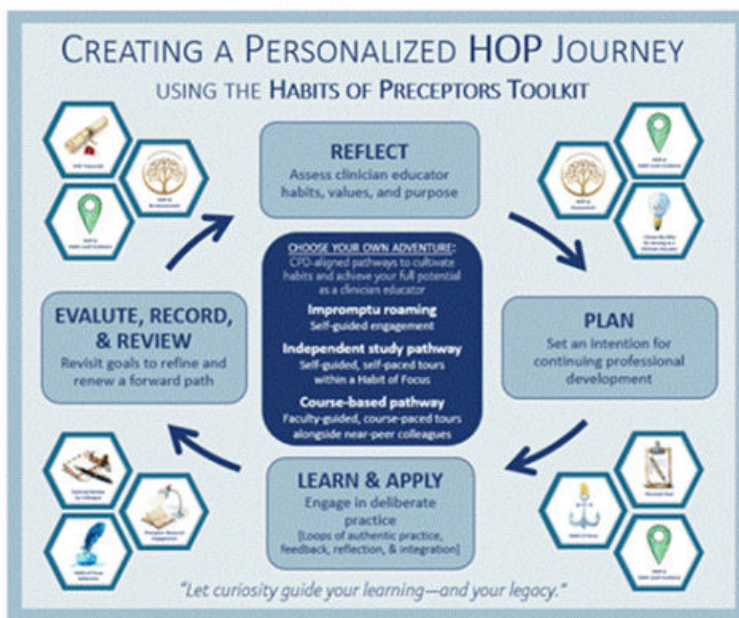

Please see this callout from the national Habits of Preceptors team!

The Habits of Preceptors team wanted to make you aware of a comprehensive preceptor development platform and invite you to visit the HOP Platform website to (re)invest in your continuing professional development (CPD) journey. As your journey continues to unfold, we hope the HOP Platform becomes a trusted home base—a space you return to for insight, connection, and lifelong development as a clinician educator.

From July to October 2025, we've invested in and enhanced our website features, continued to expand our curated library of preceptor resources mapped to the 11 habits, and created space for 3 learning pathways. The next offering of our HOP Academy 101 course begins in February 2026. This 12-week course is offered at no cost to clinicians-in-practice. The waitlist is now open, and we encourage you to sign up to secure your spot. Our HOP CPD Overview infographic provides an eagle's eye view of our mission, framework, and offerings, showcasing how the HOP Toolkit integrates the CPD cycle to meet the unique needs and interests of clinician educators at every stage of development.

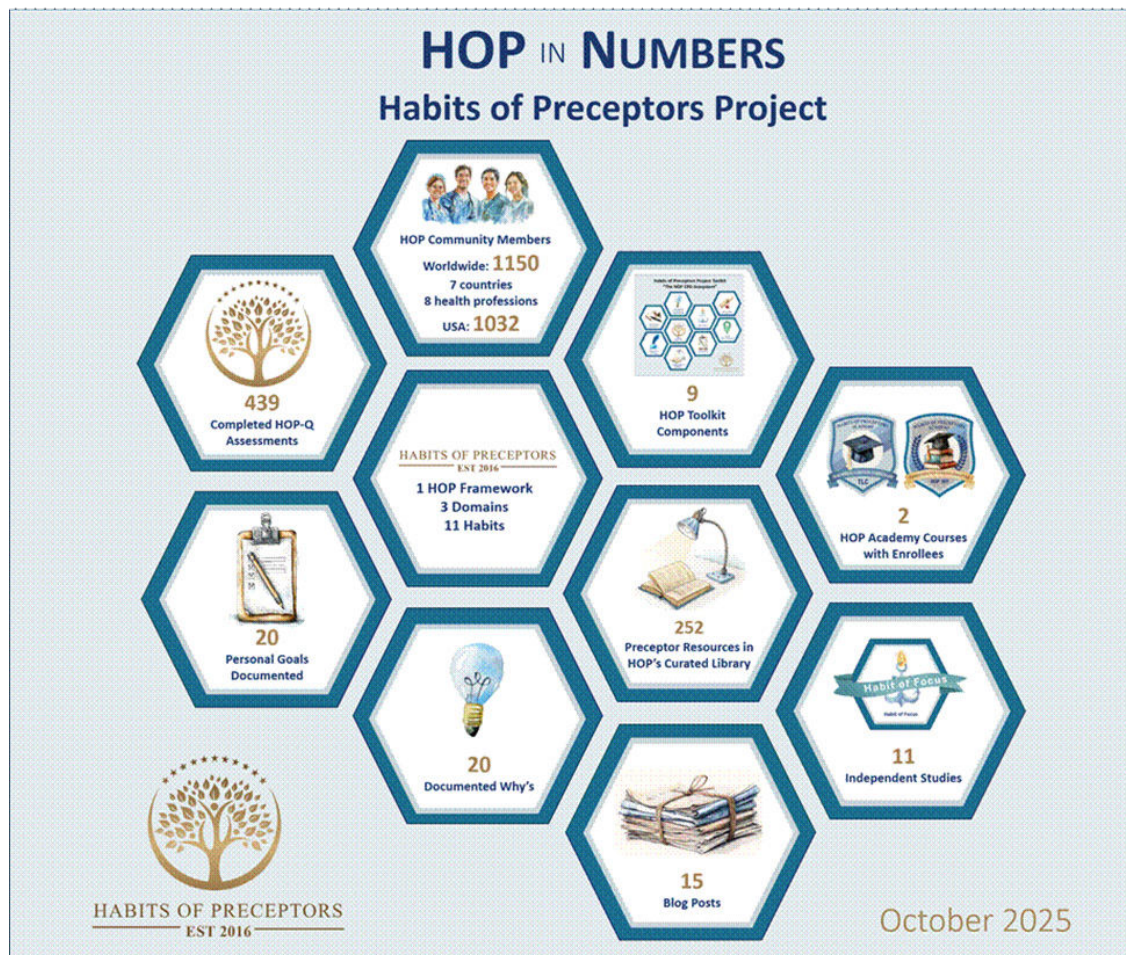

# Habits of Preceptors (HOP) Project

- **What:** A non-profit Preceptor Development Platform offering freely available tools and resources
- **Why:** HOP Mission is to improve healthcare by cultivating the growth of clinician educators
- **HOP Framework** has 3 Domains encompassing 11 Habits
  - (1) Practice role model (6 Habits)
  - (2) Effective educator (3 Habits)
  - (3) Provides high-quality assessment of learners (2 Habits)
- **How:** Platform offers learning pathways tailored to the needs and interests of clinicians-in-practice
  - HOP Toolkit integrates the Continuing Professional Development (CPD) Cycle
  - Preceptor Resources offers a curated library of multimedia mapped to each of the 11 habits

We look forward to supporting you on your journey to achieving your full potential as a clinician educator.
